

A start-up story

THERE WAS A GUY WHO HAD THIS IDEA. IT WAS BRILLIANT (BUT NO, HE'S NOT GOING TO TELL YOU WHAT IT IS. NOT THAT HE THINKS YOU'LL STEAL IT, BUT YOU CAN'T BE TOO CAREFUL). HE KNEW THAT WITH ENERGY AND ELBOW GREASE, IT WOULD WORK. HE JUST NEEDED THE RIGHT PLACE...

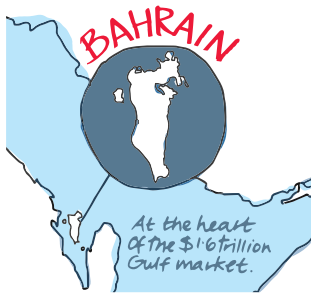

... SOMEWHERE THAT GAVE HIM
THE RIGHT BLEND OF CLEVER PEOPLE
AND SMART TECHNOLOGY. HE DISCOVERED
IT IN BAHRAIN. HE FOUND AN
INCUBATOR THAT GAVE HIM A GREAT
SPACE (AND CONNECTED HIM TO SOME
GREAT PEOPLE), AND AN
ACCELERATOR THAT INJECTED SOME
WELCOME CAPITAL...

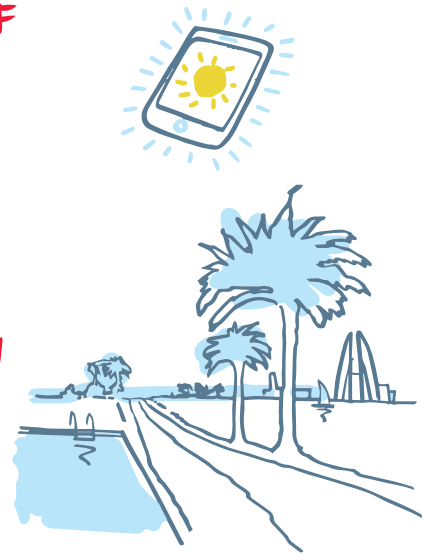

Great access to
